Testimonials

“Over the years I have purchased two lovely young horses through Andrew Gould and I have been delighted with both of them. Andrew and Polly provide such a wonderful experience when buying a horse and I can’t thank them enough.”

Alex Lowe, purchased Uganda and Whisper

“I purchased Shadowfax from Andrew Gould as a four year old. I have been delighted with him and he has gone on to win three national championships and winner of Brightwells Challenge. He has also been selected to the Pathway Squad to 2012 Olympics. I would definitely recommend Andrew to anyone looking to purchase a top dressage horse.”

Ruth Edge, International Event and Dressage Rider

“I purchased a young rider horse for my daughter through Andrew. He took us to Holland where he showed us a fantastic selection of horses that matched our criteria. The only difficult thing was to choose which one as we liked five of them! Our horse is exactly as described and has a lovely, unspooky temperament. I always recommend Andrew when people ask me where I found her from”
