

Andrew Gould
& Katie Price

***Andrew Gould** will be running the London marathon this year alongside his dressage pupil **Katie Price**. Andrew is running for Spinal Research – he is an ambassador for the charity. Andrew himself was recently seen being followed by a TV crew at Addington – for a pilot for a possible programme on dressage for Animal Planet. Meanwhile, Andrew's enterprising wife **Polly** has joined forces with Katie and the pair has set up a second-hand clothing company on Ebay called **Jordan's Closet**, selling old outfits of Katie's.*
