Supplements company [Equine America](#) is hosting a lecture demonstration evening with dressage rider Andrew Gould and event rider Emily Llewellyn to raise money for the Spinal Research Saddle Up Campaign.

The evening event will be held at Oldencraig Equestrian Centre on the 26 March and will include dressage and jumping demonstrations from both riders on a variety of horses.

There will also be a demonstration by Point Two Air Jackets and the chance to meet both riders.

All proceeds from the evening, including a raffle of horse products donated by a number of companies, and from the ticket sales, will go to support the [Saddle Up Campaign](#), for which Andrew is an ambassador.

Andrew will also be running the London Marathon for the charity on 25 April.

Advance tickets are available until 19 March at £10 per person, and will be available on the night for £15.

For more information or to purchase tickets call Equine America on 01403 255809 or email kate@cortaflex.co.uk
