## Win a Barnsby saddle, plus other goodies just by talking about [www.manage-my-horse.com](http://www.manage-my-horse.com)

The team behind the FREE revolutionary horse management website, [www.manage-my-horse.com](http://www.manage-my-horse.com) understand that 'word of mouth' is the best form of communication. So, with this in mind they would like to reward their loyal members and give them the chance to 'rave' about the site and its benefits to all of their horsey friends and in return give them the chance to enter the fantastic 'tell a friend' competition. Packed full of features, [www.manage-my-horse.com](http://www.manage-my-horse.com) is already proving invaluable to yard owners, professional riders, one horse owners and equine enthusiasts. With membership rising daily, the site offers a comprehensive, safe, tool in which you can store every single detail about your horse's life from feed lists, expenses, worming programmes, daily journals and veterinary reports – to only name a few! The competition will run for a period of three months, with the closing date for entries being midnight on 19th August. To enter, members simply have to tell a friend about [www.manage-my-horse.com](http://www.manage-my-horse.com) and its many benefits. The number of friends each individual recommends in the three month entry period will decide which prize they may be entered for. Plus for the member recommending the highest amount of people there will be a 'grand' prize worth £400!

### The prizes

- Recommend three friends and members could win a brand new 7-series saddle from Barnsby worth £1,000.
- Recommend two friends and £300 worth of horse wear products from the Mark Todd Collection is up for grabs.
- Recommend one friend and Dodson & Horrell will give £300 worth of feed, plus nutritional advice.

#### The way it works...

Each member who recommends a friend that actually registers with [www.manage-my-horse.com](http://www.manage-my-horse.com) will need to keep a record of the email address and contact telephone number of their 'friend'. Before the closing date, 15th August, entrants must send an email to the competition email address ([emag@manage-my-horse.com](mailto:emag@manage-my-horse.com)) with the list of their friends and which prize they are entering for. The winner will then be picked at random from these entrants. Each new member recommended will need to add at least one new horse profile in full to their new account before the closing date. The winners list will then be validated to confirm that they are true members before prizes are awarded. To find out more about this exciting competition, as well as to explore the site via the new 'Demo account' visit [www.manage-my-horse.com](http://www.manage-my-horse.com)
